Contribution of Staff and NSS Volunteers as corona worriers

Since the pandemic began, they have been actively involved in educating and helping people cope with the effects of COVID19.

First and second year NSS volunteers actively participated in campaign by preparing various posters and slogans (#Unite2FightCorona) related to COVID-19 to aware students, faculties, communities, society through online mode (social media, whatsapp, etc.) and other peoples who suffered from this pandemic conditions

The sole purpose of whole educational process is to produce responsible citizens who can render their services towards the society and nation at large whenever the need arises. At present when the whole mankind is facing the problem of COVID-19, realising its responsibility, NSS Department of Khalsa College of Education, G.T. Road, Amritsar (Punjab), under the able and dynamic leadership of Dr. Harpreet Kaur, Principal of the institution and under the guidance of Program Officers (NSS), Dr. Gurjit Kaur, Dr. Bindu Sharma and Dr. Satinder Dhillon, has taken upon itself the task of creating awareness among masses through its NSS Volunteers and faculty members. It is a sincere effort to join hands with Government of India to combat the pandemic of COVID-19. For discharging their duties effectively and efficiently, faculty members and NSS volunteers are performing the following duties from the last month:

- All the faculty members and NSS volunteers registered themselves on Aarogya Setu App.
- Majority of the faculty members and NSS volunteers registered and successfully completed their training on Basics of COVID-19 on the Igot.gov.in App.
- All the NSS volunteers prepared charts and posters highlighting the causes and precautions to be undertaken to prevent themselves and others from this disease.

COVID-19 Awareness Central Government had declared lockdown because of the Corona Virus pandemic. College, Schools, officials, transport, shops, malls, restaurants everything was closed. As it is a novel virus people do not know what it is, so by keeping this in mind Department of Botany has started Facebook to spread awareness. The student coordinator of NSS along with the help of the Teacher .coordinator open the page on and Facebook on 21st April 2020, to spread awareness about this. With the help of this platform, NSS volunteers have posted some poems, drawings, videos, and many more things to spread awareness about COVID-19. This platform is open for all as they can share their creativity through this. This is a small step taken by of Smt. Archana Mukhedkar.Dr.S.b.bhosale ,Mr.Arvind Shinde helped students to spread awareness and make India free from COVID-19.

Novel coronavirus has come to India. All the Colleges, schools, temples, markets, malls, and social gatherings, everything was closed to stop the spread of the virus. Lockdown was imposed so that people don't come out of their houses. Because it was a novel virus, common people don't know anything about it. So at this stage Department Of Botany Shikshan Maharshi Dnyandeo Mohekar Mahavidyalaya, Kalamb decides to make people aware of this virus through

posters and poems with the use of social media. Many students students of the college took part in this and have prepared several posters and poems. They have also prepared videos, songs, small acts, speeches to spread awareness. All this data was shared Facebook accounts. Students have also shared these posts on Whatsapp. These videos, posters, and poems were also circulated on Whatsapp groups. Social media has played a vital role in spreading awareness. All credit goes to Department of Botany to make this initiative possible.

Corona Oath at College to prevent the spread

Mask and Sanitizer distribution

As we all know that sanitizer and mask are very important things to protect ourselves from getting infected by the coronavirus. Many people in remote areas are unaware of these things and they don't even have masks and sanitizers. So the NSS volunteers, students, and staff members came forward to spread awareness about this virus, at the same time they distributed masks and sanitizers. distributed those masks with sanitizer to people who were deprived of this basic facility. Many other students and staff of S.M.D.Mohekar Mahavidyalaya Kalamb have distributed masks and sanitizer in their local areas and sometimes they also have arranged food for them. This is a great initiative taken by

Tree Plantation Program In this academic year the tree plantation program was held on two occasions, that is, on Republic Day 26th January and the other on Women's Day 8th March 2021. This year as all around the country the citizens were suffering from the pandemic crises, students were not able to present on the campus but teachers of the college participated actively in this program. On 26th Jan. the tree plantation program was followed by a one-hour online celebration at 10 am. After the program was over the saplings were sown by Principal Sir, teachers as well as non-teaching staff on the campus. The teacher Coordinator of NSS Dr. Ishwar

rathod lead and guided them all. The other program was on Women's Day 8th March. On this occasion, all the women teaching and non-teaching members were invited. The plantation was done around the campus at 10:30 am. On both the day the program was a success, clearly stating that even at this pandemic situation we must not forget that we do have some responsibilities towards our environment.
